It should be fun. Come join us.

NEED HELP: The last several months our attendance has been spotty and we would like to try

and improve this situation. We have recently had excellent speakers and our turnout has been embarrassingly low. Please try and ask your friends and neighbors to attend. Let's try and increase our membership. If each member would invite one guest to attend we could make a big difference. Thanks for your support.

Please call to make your reservations for our luncheon ASAP.
